

Limited Height Districts (NYLH)

TypeFile Geodatabase Feature Class

TagsZoning, Limited Height Districts, New York City, NYC, Department of City Planning, DCP

Summary

Districts in which the height of buildings is restricted.

Description

Limited Height Districts contain restrictions on the height of buildings and other structures. A Limited Height District may be superimposed on an area designated as an historic district by the Landmarks Preservation Commission.

Credits

NYC Department of City Planning, Technical Review Division

Use limitations

This feature class is not expected to change in the future. Any future updates will be announced in the GIS Zoning Features download section of the Department of City Planning website <https://www1.nyc.gov/site/planning/data-maps/open-data.page>

Data quality measure reference

Measure description

The data were developed using DCP's Tax Block Base Map Files, DOITT's NYCMap planimetric street centerlines and 2006 orthophotos as reference sources. Measurements and dimensions for location of zoning features were obtained from DCP zoning maps. The estimated horizontal accuracy is +/- 20 feet.
